NYE COUNTY TAX RATE INCREASE

Effective April 1, 2014 the Sales and Use tax rate for Nye County will increase from 7.10% to 7.60%. The Nye County Commissioners approved collection of an increase in sales tax of ½% under the provision of the Nye County Sales and Use Tax Act of 2007 to support public safety services.

CARSON CITY COUNTY TAX RATE INCREASE

Effective October 1, 2014 the Sales and Use tax rate for Carson City County will increase from 7.475% to 7.60%. The Carson City Board of Supervisors approved an ordinance raising the Sales and Use tax rate by 0.125%.

Those who collect and remit sales and use tax will need to make changes to business processes as necessary in order to collect tax at the new rate. Businesses should be sure to file the most recently updated tax return forms. Filing [online](http://tax.nv.gov) is the best option to take advantage of the most up to date tax rates. Tax Returns are also sent in the mail or can be located on our website at <http://tax.nv.gov>
